3. NOAH'S ARK

As time went on, people turned away from God and disobeyed Him.

God noticed a man named Noah who obeyed Him in everything. He had Noah build a big boat, an ark, because a huge flood would soon cover the earth. God then told him to bring his family and pairs of all kinds of animals on the ark so they would be saved.

The rains lasted for forty days and forty nights. Every living thing, including animals and people, drowned. Those in the ark were safe.

When the rains finally stopped, Noah came out of the ark with his family and thanked God.

16. A GREAT CROWD WELCOMES JESUS

Jesus traveled again to Jerusalem for a feast. He entered the city riding a donkey. The crowd greeted Him excitedly because they knew about His miracles. They cut palm branches that they placed along His way.

The people rejoiced and shouted, “Hosanna to the Son of David! Blessed is He Who comes in the name of the Lord!” We remember and celebrate this day every Palm Sunday.

Jesus’ enemies feared the people because they praised Him and believed that He was the Messiah, the Redeemer promised by God.

In the coming days, Jesus’ enemies would arrest Him and the people would turn against Him.
